

**Appendix 1-8 to 1-14 Sustainability Disclosure Indicators - Semiconductor Industry, Computer and Peripheral Equipment Industry, Optoelectronic Industry, Communications and Internet Industry, Electronic Parts/Components Industry, Electronic Products Distribution Industry, and Other Electronic Industries**

| No. | Indicator                                                                                                                  | Indicator Type          | Annual Disclosure | Unit                                         | Remarks |
|-----|----------------------------------------------------------------------------------------------------------------------------|-------------------------|-------------------|----------------------------------------------|---------|
| 1   | Total energy consumption, percentage of purchased electricity, utilization rate(renewable energy)                          | Quantitative            |                   | Gigajoules (GJ) , percentage (%)             |         |
| 2   | Total water withdrawn, total water consumption                                                                             | Quantitative            |                   | Thousand cubic meters (1,000m <sup>3</sup> ) |         |
| 3   | Total hazardous waste generated and percentage recycled                                                                    | Quantitative            |                   | Metric tons (t), percentage (%)              |         |
| 4   | Types of, number of employees in and rate of occupational accidents                                                        | Quantitative            |                   | Quantity, ratio (%)                          |         |
| 5   | Product Lifecycle Management Disclosure: including weights of scraps and electronic waste and percentage recycled (Note 1) | Quantitative            |                   | Metric tons (t), percentage (%)              |         |
| 6   | Description of the management of risks associated with the use of critical materials                                       | Qualitative description |                   | Not applicable                               |         |
| 7   | Total amount of monetary losses as a result of legal proceedings associated with anti-competitive behavior regulations     | Quantitative            |                   | Reporting currency                           |         |
| 8   | Production by product category                                                                                             | Quantitative            |                   | Varies by product category                   |         |

Note 1: Descriptions including the sale of scraps and the recycling and processing of waste shall be provided.
