

**Table 2****Table of Fixed Scaling Fee**

<b>Scale of Number of Electronic Display Units Reported by Information Users</b>	<b>Data Fee (NT\$/per month)</b>
0-100	60,000
101-200	72,000
201-300	118,400
301-400	163,200
401-500	208,000
501-600	252,800
601-700	297,600
701-800	342,400
801-900	387,200
901-1000	432,000
1001-1200	496,000
1201-1400	579,200
1401-1600	662,400
1601-1800	745,600
1801-2000	828,800
2001-2300	928,000
2301-2600	1,043,200
2601-2900	1,158,400
2901-3200	1,273,600
3201-3500	1,388,800
3501-4000	1,534,400
4001-4500	1,710,400
4501-5000	1,886,400
In excess of 5001	Excess unit price : NT\$ 300

Notes:

1. This Table is applicable to Information Users operating the business of transmission through “dedicated line for data (including dial-up line), cable modem or VPN”.
2. An Information User who has a television wall as its receiving equipment shall count a television wall with 12 TV sets as an electronic display unit for payment of the data fee in accordance with this Table (Any number of TV sets less than 12 shall be disregarded in counting).
3. The number of electronic display units as reported by Information Users does not include those installed at the business premises of securities firms and futures firms.
